6. Any specification for lift or scaffolds to reach high ceilings?  
Precaution should be taken to protect feet so not to damage flooring.
7. How soon do you want project to start?  
ASAP
8. What is the project budget?  
We do not budget to that detail; project is included in our general maintenance budget. The Court has not paid for this service in the past. In the past, the service was paid by a vendor who had a contract with the Administrative Office of the Courts. The service the prior vendor performed differed in some respects from what is sought in this RFP.
