Conflict of Interest. Proposer has no interest that would constitute a conflict of interest under California Public Contract Code (PCC) sections 10365.5, 10410 or 10411; Government Code sections 1090 et seq. or 87100 et seq.; or California Rules of Court, rule 10.103 or 10.104, which restrict employees and former employees from contracting with judicial branch entities.

Suspension or Debarment. Proposer certifies that neither Proposer nor any of Proposer's intended subcontractors is on the California Department of General Services' list of firms and persons that have been suspended or debarred from contracting with the state because of a violation of PCC 10115.10, regarding disabled veteran business enterprises.

Tax Delinquency. Proposer certifies that it is not on either (i) the California Franchise Tax Board's list of 500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts.

Conflict Minerals. Proposer certifies that either (i) it is not a scrutinized company as defined in PCC 10490(b), or (ii) the goods or services the Proposer would provide to the JBE are not related to products or services that are the reason the Proposer must comply with Section 13(p) of the Securities Exchange Act of 1934. (Note: PCC 10490(b) defines a "scrutinized company" as "a person that has been found to be in violation of Section 13(p) of the Securities Exchange Act of 1934 by final judgment or settlement entered in a civil or administrative action brought by the Securities and Exchange Commission and the person has not remedied or cured the violation in a manner accepted by the commission on or before final judgment or settlement.")

Economic Sanctions. Proposer certifies compliance with economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law (collectively, economic sanctions), and to take actions to support the Ukrainian government and people, including by refraining from new investments in, and financial transactions with, Russian institutions or companies that are headquartered or have their principal place of business in Russia (Russian entities), not transferring technology to Russia or Russian entities.
